1.2 Crown logo guidelines

Primary mark — Anna Lou Wellness

The full logo should always be used, except when it becomes too small to be readable. In these cases use the crown 'a' monogram only. The crown is only to be used on top of the lowercase 'a' as shown, or as a standalone icon in the crown repetition pattern. **Other uses are not allowed.**

Large
min. 60mm

Full wordmark. Crown + Anna Lou Wellness all visible.

Medium
min. 30mm

Wordmark legible. Headers, footers, email signatures.

Icon only
min. 12mm

Crown 'a' mark only. Social media, app icons, small placements.

1.3 Crown logo + tag line — Beautifully Whole

Original — Anna Lou of London

New — Anna Lou Wellness

"Beautifully Whole" replaces "Beautifully British". Same Nobel Light treatment, same vertical position to the right of the crown monogram, same rotation. "Whole" reflects the core ethos — integration of body, mind, spirit and life, and the return to self underpinning all of Anna's work.

> Position rule: Always sits to the right of the 'a' monogram, rotated 90deg anti-clockwise, vertically centred. Set in Nobel Light. Never place above or below the mark.

1.4 Crown logo — backgrounds & white space

Primary — warm cream #F5F3EF
